# BRANT COMMUNITY HEALTHCARE SYSTEM FOUNDATION

The Brant Community Healthcare System (BCHS) Foundation is committed to raising critical funds to support top priority needs of the Brantford General and the Willett, Paris. The BCHS Foundation helps to purchase medical equipment that is not paid for by the Ministry of Health, invests in new and innovative technology, and provides BCHS caregivers with essential patient-care resources.

The BCHS Foundation's Swing For Healthcare Golf Tournament brings together the community as well as business leaders to celebrate an impactful day out on the greens, supporting the Brant Community Healthcare System.
